SENATE PUTS THROUGH

LAKE PLACID. Measure Carries Approximately \$130,000,000; Over \$2,000,000 More Than House Provided.

> The sundry civil appropriation bill was passed by the Senate late yesterday afternoon, carrying with it the various amendments for the District of Columbia, which had been approved Monday and yesterday, including the item for the new bridge to take the place of the Aqueduct bridge across the Potomac river. The bill carries approximately \$130,000,000, more than \$2,000,-000 having been added by the Senate

to the House measure. Item for Blue and Gray Reunion. An appropriation of \$150,000 for a reunion of Federal and Confederate veterans at Vickesburg in 1917 was in-

cluded. The reunion, to be held in September. 1917, will bring the veterans together on the scene of the battle of Vicksburg, now a national park. The money appropriated is to be expended under the direction of the War Department for tents and other supplies. The amendment was introduced by Senator Cummins and was supported by Senators

Vardaman and Williams. Sharp criticism of the federal trade commission developed in the Senate during debate on the sundry civil ap-propriation bill. An amendment to in-crease the salaries of special attorneys for the commission from \$5,000 to \$7,500 was defeated, 43 to 28.

Senator Hollis Explains. Senator Hollis, offering the amendment, said its aim was to procure for the commission able counsel for preparation of dissolution decrees and similar work. He mentioned the corn products case, just referred to the commission by a federal judge.

Senator Sutherland said it was be-Senator Sutherland said it was beyond his comprehension that any court should call on such a body to prepare its decree. Senators Borah and Gallinger also attacked the commission's work. Senators Overman and Cummins defended it.

An item debated at length was that appropriating half a million dollars for a government powder factory. It finally was amended so that the War Department may use the sum either to establish a plant or enlarge any plant already in existence.

ASKS \$10,000 DAMAGES.

Samuel Singer Sues Union Transfer Company. Samuel Singer, by his next friend,

Louis Singer, has filed suit in the Su-preme Court of the District of Columbia against the Union Transfer Company, claiming \$10,000 damages. In his declaration the plaintiff states that while he was at 14th and D streets
